

Together is Everything – Disconnect and Reconnect

28 April 2018

Male, Republic of Maldives –

In the hustle and bustle of our busy lives, the opportunity to **disconnect** for a while and **reconnect** with each other is not only wanted but needed.

Drawing on rich family traditions and values, the recently opened Vakkaru Maldives presents an idyllic tropical island setting for families to do just that.

In a breath-taking enclave within Baa Atoll, Vakkaru Maldives is an authentic getaway of unassuming luxury and attentive service with 125 beach and over water villas and suites, a choice of four restaurants and 2 bars, a kids club, tennis and badminton courts, padi dive and watersports centre, over water spa and gym.

At the Parrotfish Club, young islanders from 3 – 12 years will enjoy an ever-changing daily activity schedule while older children and adults will delight in the memorable family experiences on offer at the Coconut Club and Sports Fields including beach volleyball tournaments and football matches guests V Vakkaru team members.

A variety of excursions await at Splash, the resort's dive and water sports centre, from a glimpse at the Maldives way of life on a nearby island to dolphin spotting, sunset cruise or traditional Maldivian pole fishing the options are bountiful.

Choose your family style accommodation including Beach Family Pool Villas along the white sandy beaches surrounding the island or Over Water Family Villas for those wanting to share the unique experience of staying above the emerald waters.

“Just some of the family-oriented facilities we offer on the island include “bubble maker” diving courses for children from 8 years, bicycles for adults and children of all ages, babysitting, children’s menus in all four restaurants, adorable children’s size bathrobes in the family villas and kid’s cooking classes” said Wicus Prinsloo, General Manager.

Experience a stay at Vakkaru Maldives, a haven of serenity for families and couples seeking an intimate getaway in one of the most desirable destinations on earth.
