

“Hack Your 21<sup>st</sup> Century Digitised Body” with fitness expert to the stars,  
Yasmin Karachiwala at Vakkaru Maldives

**Male, Republic of Maldives, June, 2019** – [Vakkaru Maldives](#) together with world-renowned fitness expert, Yasmin Karachiwala, invites you to “Hack Your 21<sup>st</sup> Century Digitised Body” from 9 to 13 August 2019. Awarded “Best Fitness Instructor” by VOGUE, Yasmin Karachiwala and her team have curated a bespoke programme to rev up your daily routine.

With over 26 years in the industry and *the* pioneer of Pilates in India, Yasmin is also India’s first “Balanced Body Master Pilates” instructor and “Fletcher Pilates” instructor. With numerous awards and accolades including best-selling author to her name, her elite client list reads like the cover of a fashion magazine, literally. India’s A-listers from Katrina Kaif to Deepika Padukone, Alia Bhatt to Kareena Kapoor and more train with Yasmin to sculpt, tone and look their ultimate best for one of the world’s largest film industry, Bollywood.

Harnessing all her knowledge and experience, Yasmin invites you to unplug and reset at Vakkaru Maldives. “I am absolutely thrilled to be bringing my brand of fitness to the Maldives for the first time. I am looking forward to “Hack Your 21<sup>st</sup> Century Digitised Body” as I have created a holistic experience where guests will be able to take away a little bit of everything. My personal goal is to increase your knowledge on Pilates and to beat the common misconception that you need equipment to work out. I want you to know that you can work out anytime, anywhere! I will also be joining forces with the culinary team at Vakkaru Maldives to curate my ultimate breakfast table every morning, spend an afternoon sharing my hacks on the best travel-friendly snacks and smoothie concoctions as meal replacements and share some of my well-kept secret recipes for desserts. At my masterclass, I want you to understand that the food you eat must not be a tedious diet that you have picked out of a magazine, but a variable routine that you look forward to each morning,” says Yasmin Karachiwala.

“Nestled within the UNESCO Biosphere Reserve of Baa Atoll in the Maldives, Vakkaru Maldives is the perfect setting to bask in the ultimate luxury of “time” and “space” where guests are invited to relax, reflect and refocus. We recognise that our guests are on a lifelong, personal and emotional quest towards a fulfilling health and wellness goal and we are dedicated to ensuring they have access to the best,” says General Manager Nicholas Mason.

### **About Vakkaru Maldives**

Vakkaru Maldives is a secluded tropical island resort located within the Baa Atoll, a UNESCO Biosphere Reserve, in the heart of the Indian Ocean. Only 30 minutes north of Male International Airport by seaplane, Vakkaru – meaning coconut timber in Dhivehi – is an unforgettable paradise blessed with powder soft, brilliant white sand, crystal clear turquoise water, 360-degree uninterrupted views and sprawling coral reefs with unique marine biodiversity. Keeping the natural beauty of the island as unspoilt as possible – including retaining over 2,300 fully grown coconut trees – and drawing on the rich traditions of the locale, design elements are focused on Maldivian style fused with the finest natural resources and contemporary interior. Guests can revel in the choice of 125 beach and over water villas and suites, as well as four sensational restaurants, two bars, a wine cellar and an outstanding array of treatments in the over-the-water [Merana Spa](#). Facilities also include Splash Dive and Water Sports, two tennis courts, a badminton court, the Parrotfish Club for children below 12 years, Coconut Club for teens and an overwater gymnasium with personal trainer.
