

Nestled in Baa Atoll, a UNESCO Biosphere Reserve, Vakkaru Maldives is a timeless sanctuary intuitively designed for guests seeking unassuming luxury and cherishable experiences. A scenic 30-minute seaplane journey from Male International Airport takes you to this secluded reef island blessed with timeless ocean views, powder-soft white sand beaches and unique deep blue holes. The 113 beautifully-appointed Over Water and Beach Villas are elegantly designed to respect the surrounding tropical nature and Maldivian charms. Additionally, indulgent dining choices, a world-class wine cellar as well as curated leisure activities and amenities create enriched experiences for everyone.
