
VAKKARU
MALDIVES
SILK ROAD
a festive journey
DECEMBER 2026 – JANUARY 2027

YOUR JOURNEY BEGINS

Dear Guests,

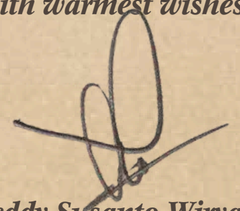

Welcome to Vakkaru Maldives for the festive season.

This year, the island takes its inspiration from the Silk Road, the ancient network of trade routes that connected civilisations, carried rare spices and precious goods across continents and brought distant cultures into conversation with one another. It is a theme that speaks of discovery, connection and the art of hospitality at its most generous, and one that has shaped every experience, every table and every celebration across the weeks ahead.

Whether you are joining us for the first time or returning to an island you already call your own, we are honoured to have you here.

My team and I look forward to making this a season to remember.

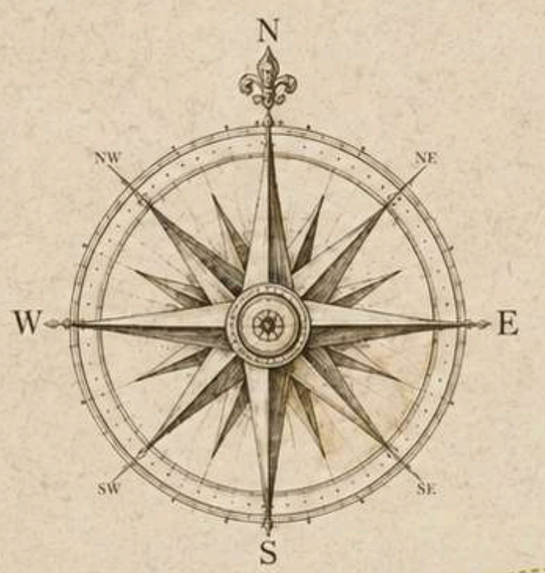

With warmest wishes for Christmas and the New Year,

Teddy Susanto Wiryawan
General Manager, Vakkaru Maldives

A VOYAGE THAT SHAPED THE WORLD

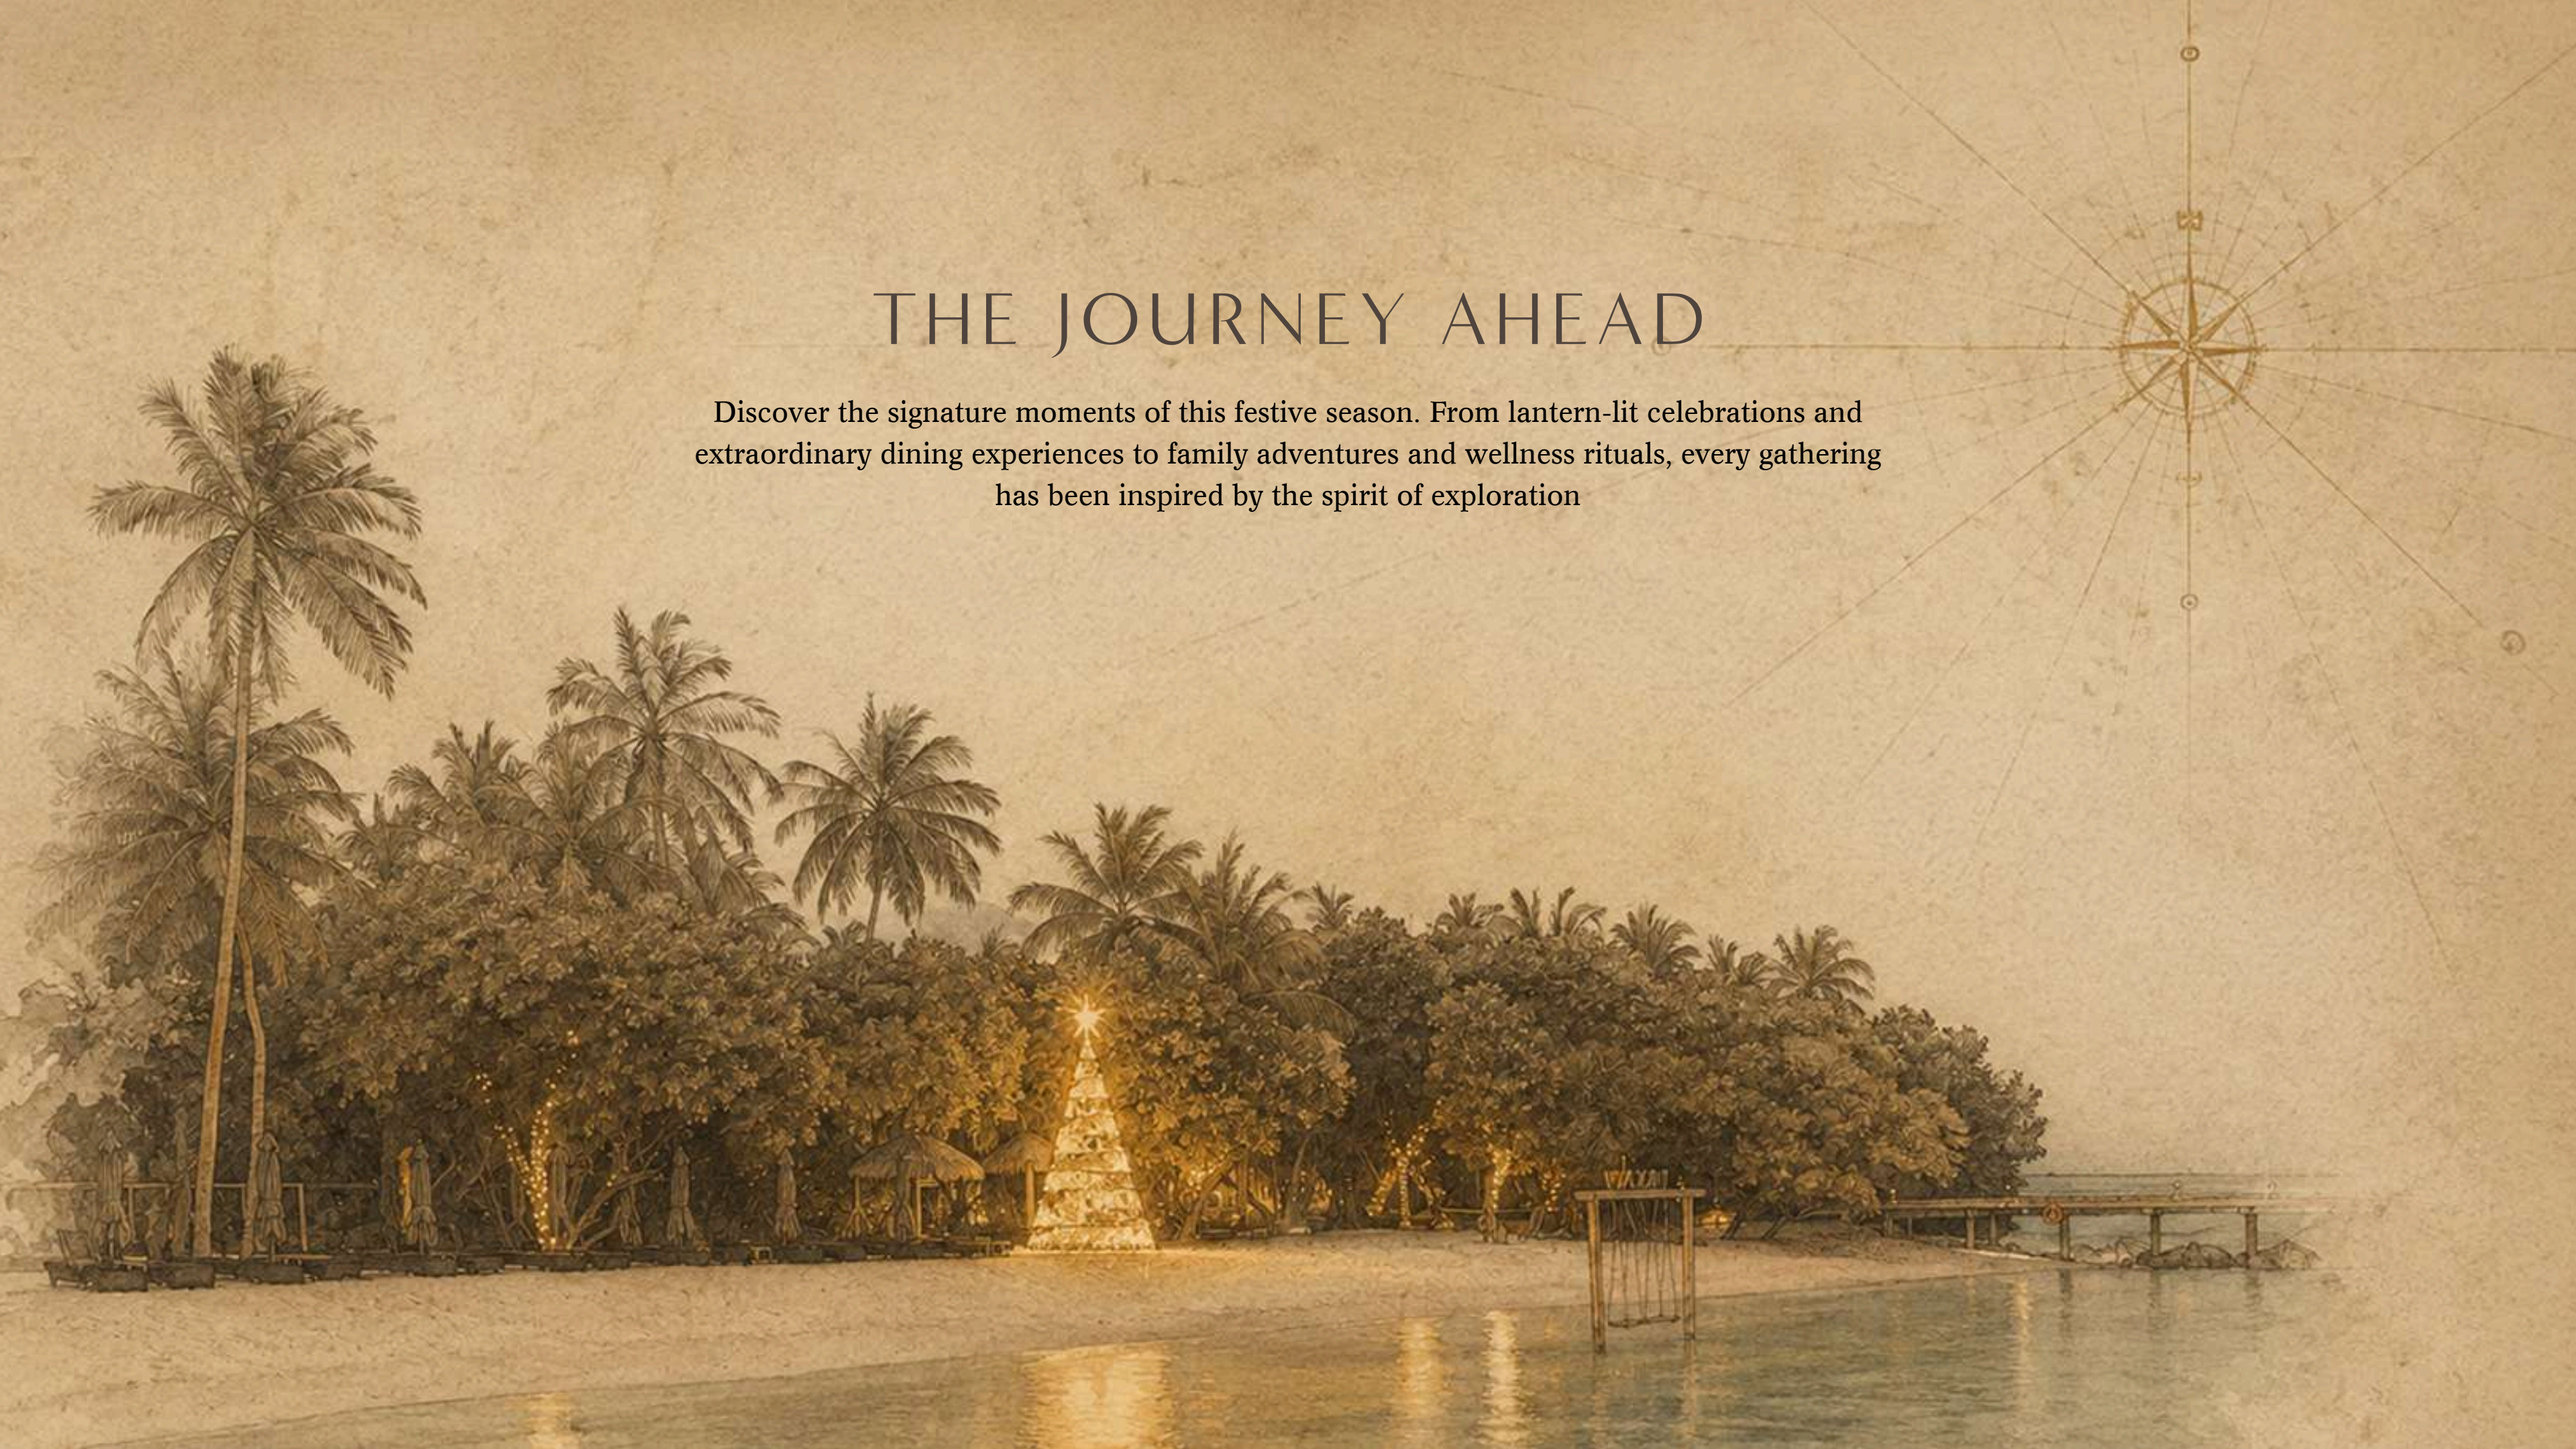

Stretching over 6,000 kilometres, the Silk Road was never a single road, but a ***remarkable network of routes*** connecting East and West.

Across mountains, deserts and oceans travelled silk, tea, spices, precious stones and stories—treasures that ***transcended borders and shaped cultures*** for centuries.

This festive season, your own journey follows these ancient paths before arriving at their most ***extraordinary destination***— the turquoise shores of ***Vakkaru Maldives.***

THE JOURNEY AHEAD
