MANTA SNORKELLING

Discover the wonders of Baa Atoll on an unforgettable Manta Ray snorkeling excursion. Manta rays can be encountered throughout the year, with their key seasonal locations varying between the eastern side of the atoll, including the famous ***Hanifaru Bay, from May to November***, and the western side, ***closer to Vakkaru, from November to May***. During the eastern season, visits to Hanifaru Bay may be possible on designated days, subject to ranger permission and manta sightings. Guided by our experienced crew, explore the atoll's beautiful waters and observe these graceful marine creatures in their natural habitat. As manta rays are wild animals and their seasonal movements can vary, every excursion offers a unique and unpredictable ocean experience.

TRIP DETAILS

Group excursion are always conducted aboard a Gulf craft.

* Duration 2-3 hours (*If mantas are not sighted, trip time will be extended to 3 hours to check other spots*).
* Time in water: 45 minutes.

INSIGHTS INTO THE OCEAN

Discover the marine life of the Maldives and learn how Vakkaru contributes to its conservation. Through engaging educational experiences and hands-on activities, explore local marine species, **coral restoration** and the role of **citizen science** in protecting our oceans. Guided by our marine specialist and trained team members, discover our conservation initiatives and how you can help preserve the Maldives' unique marine environment for future generations.

Join us to discover, learn and take part in protecting our marine heritage.

MARINE LIFE PRESENTATION

Dive into the wonders of the Maldives with our knowledgeable team every Saturday in an engaging Marine Life Presentation. Discover fascinating marine creatures, uncover the secrets of their underwater world, and learn how we can help protect our oceans. A complimentary experience for all guests.

18:30pm - 19:30pm (Every Saturday)

ROPES OF HOPE (Coral Restoration Program)

Join our marine specialist in supporting coral reef recovery through an engaging, hands-on conservation experience. Learn about the importance of coral reefs and how restoration helps build healthier marine ecosystems. Take part in attaching coral fragments to nursery ropes, nurturing their growth before they are transplanted onto suitable reef areas. Discover how your contribution helps protect the Maldives' vibrant underwater world for future generations.

3:00pm - 5:00pm 195

* Minimum 4 guests required
  Maximum 8 guests.

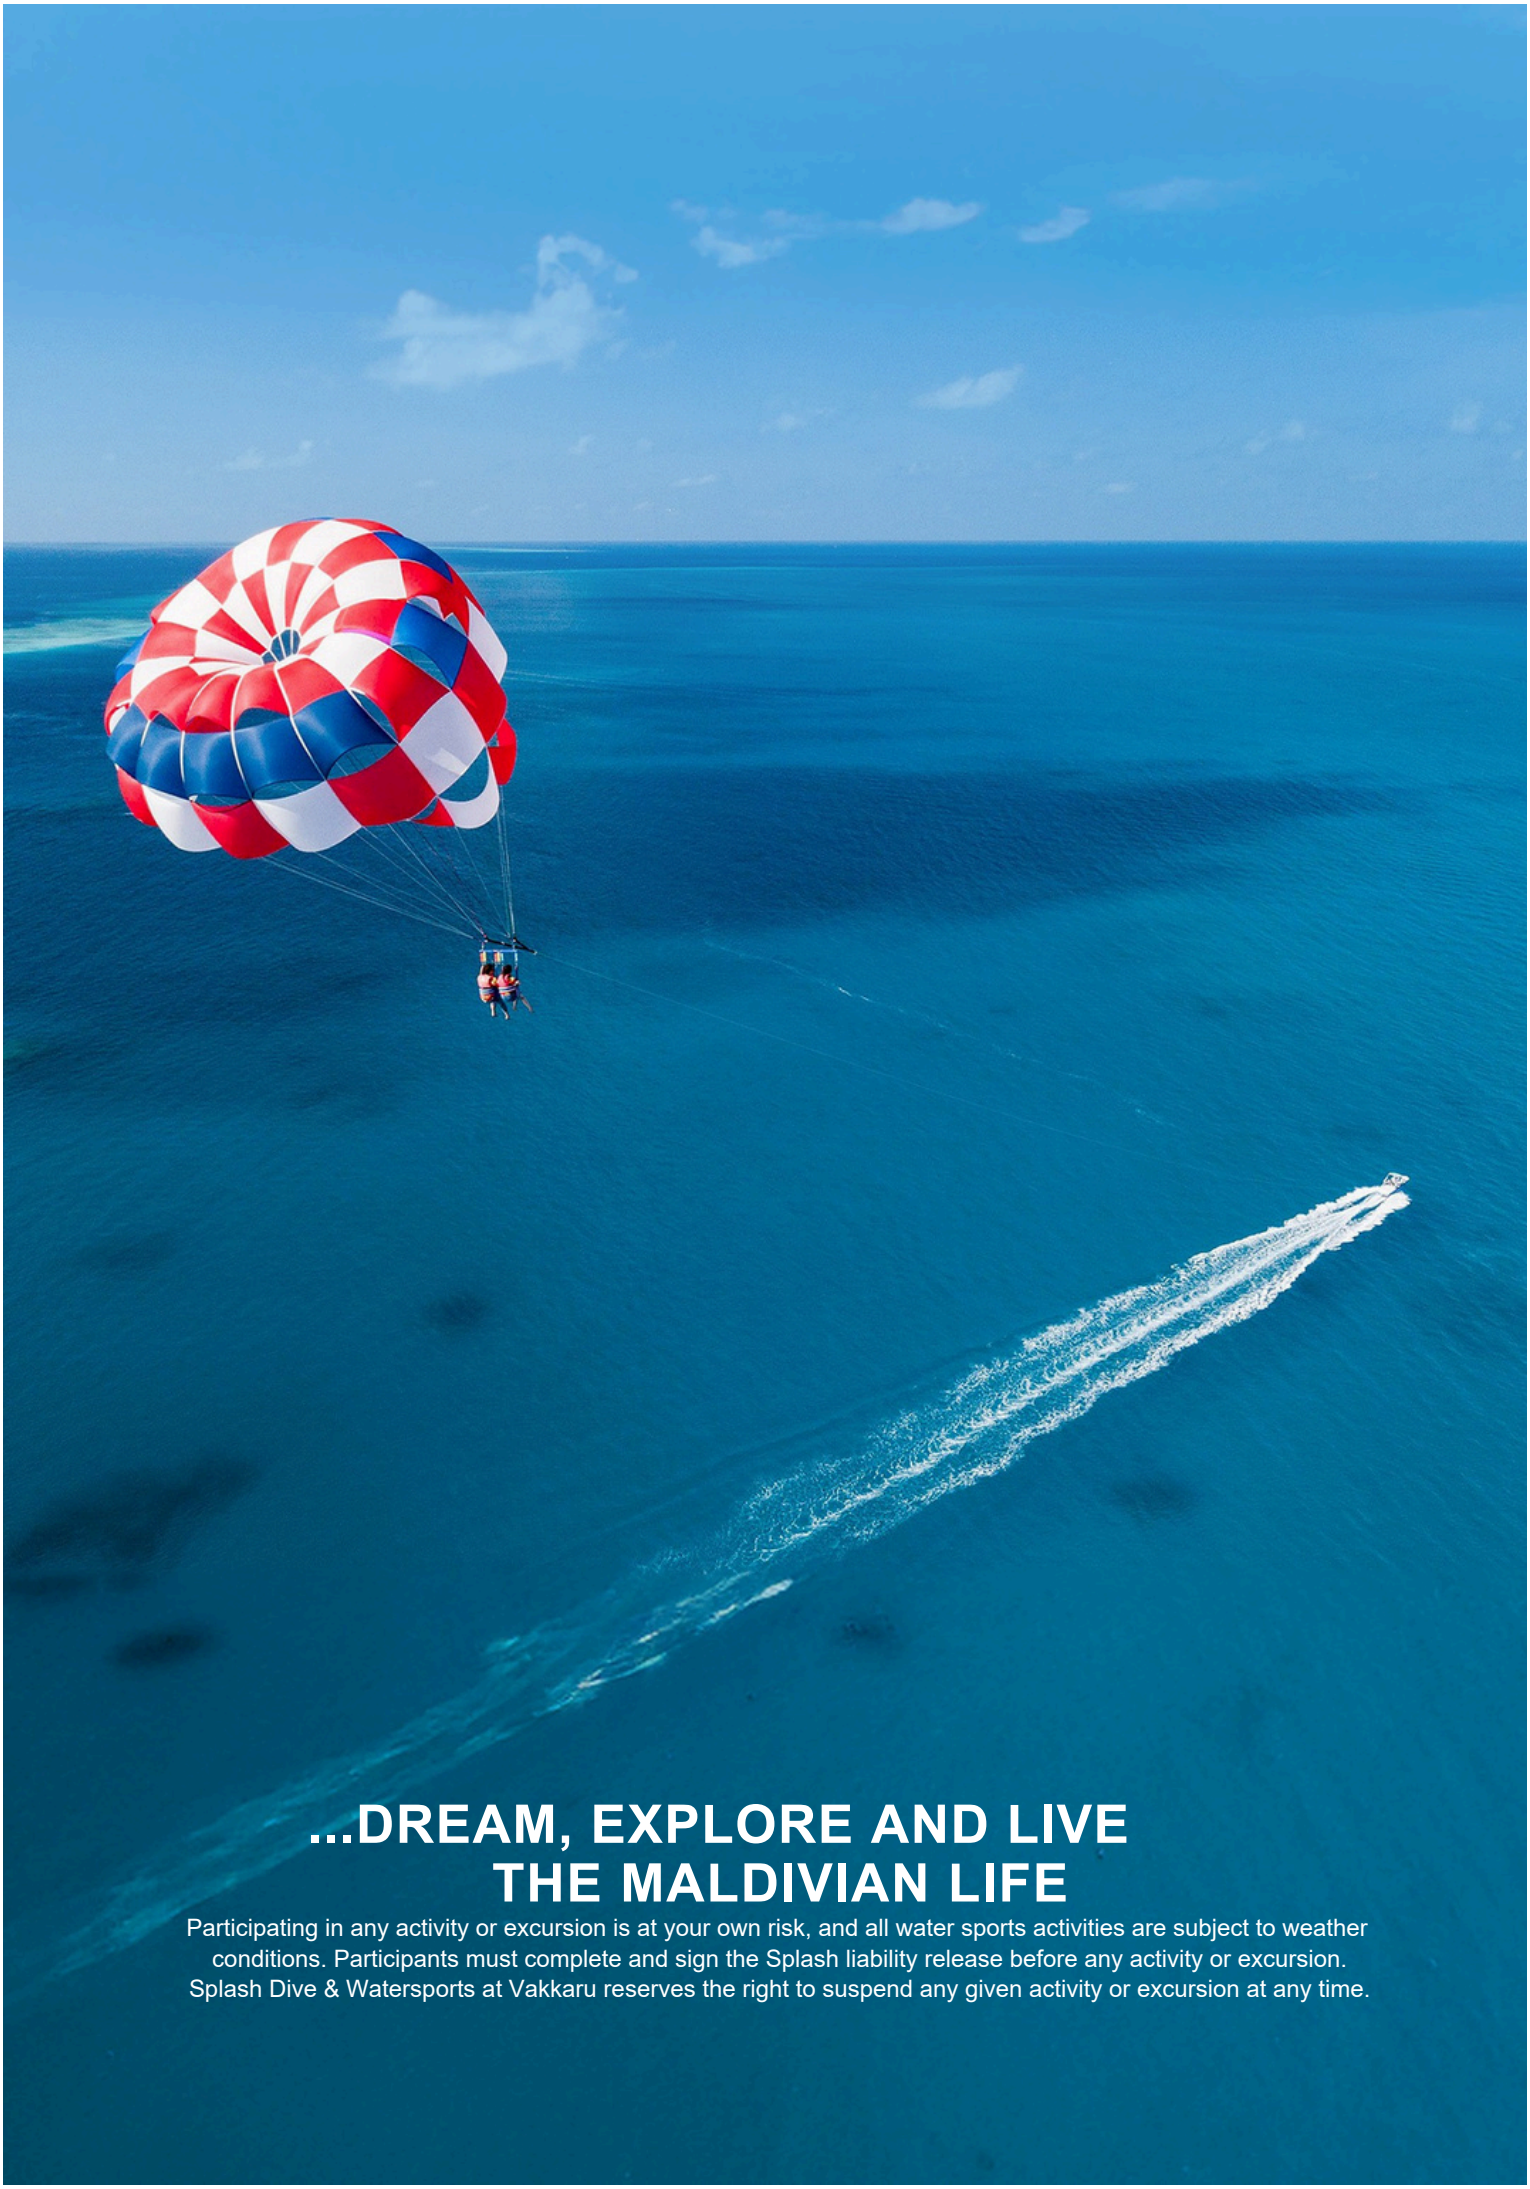

TURTLE IDENTIFICATION & CITIZEN SCIENCE EXPERIENCE

Join our Marine Biologist for an exclusive turtle identification experience, limited to four guests. Learn about sea turtles and their conservation before snorkeling with underwater cameras to photograph and identify local turtles. Your images will contribute to citizen-science research through the Olive Ridley Project or the Internet of Turtles database, supporting ongoing turtle conservation.

9:00am - 11:30am 300

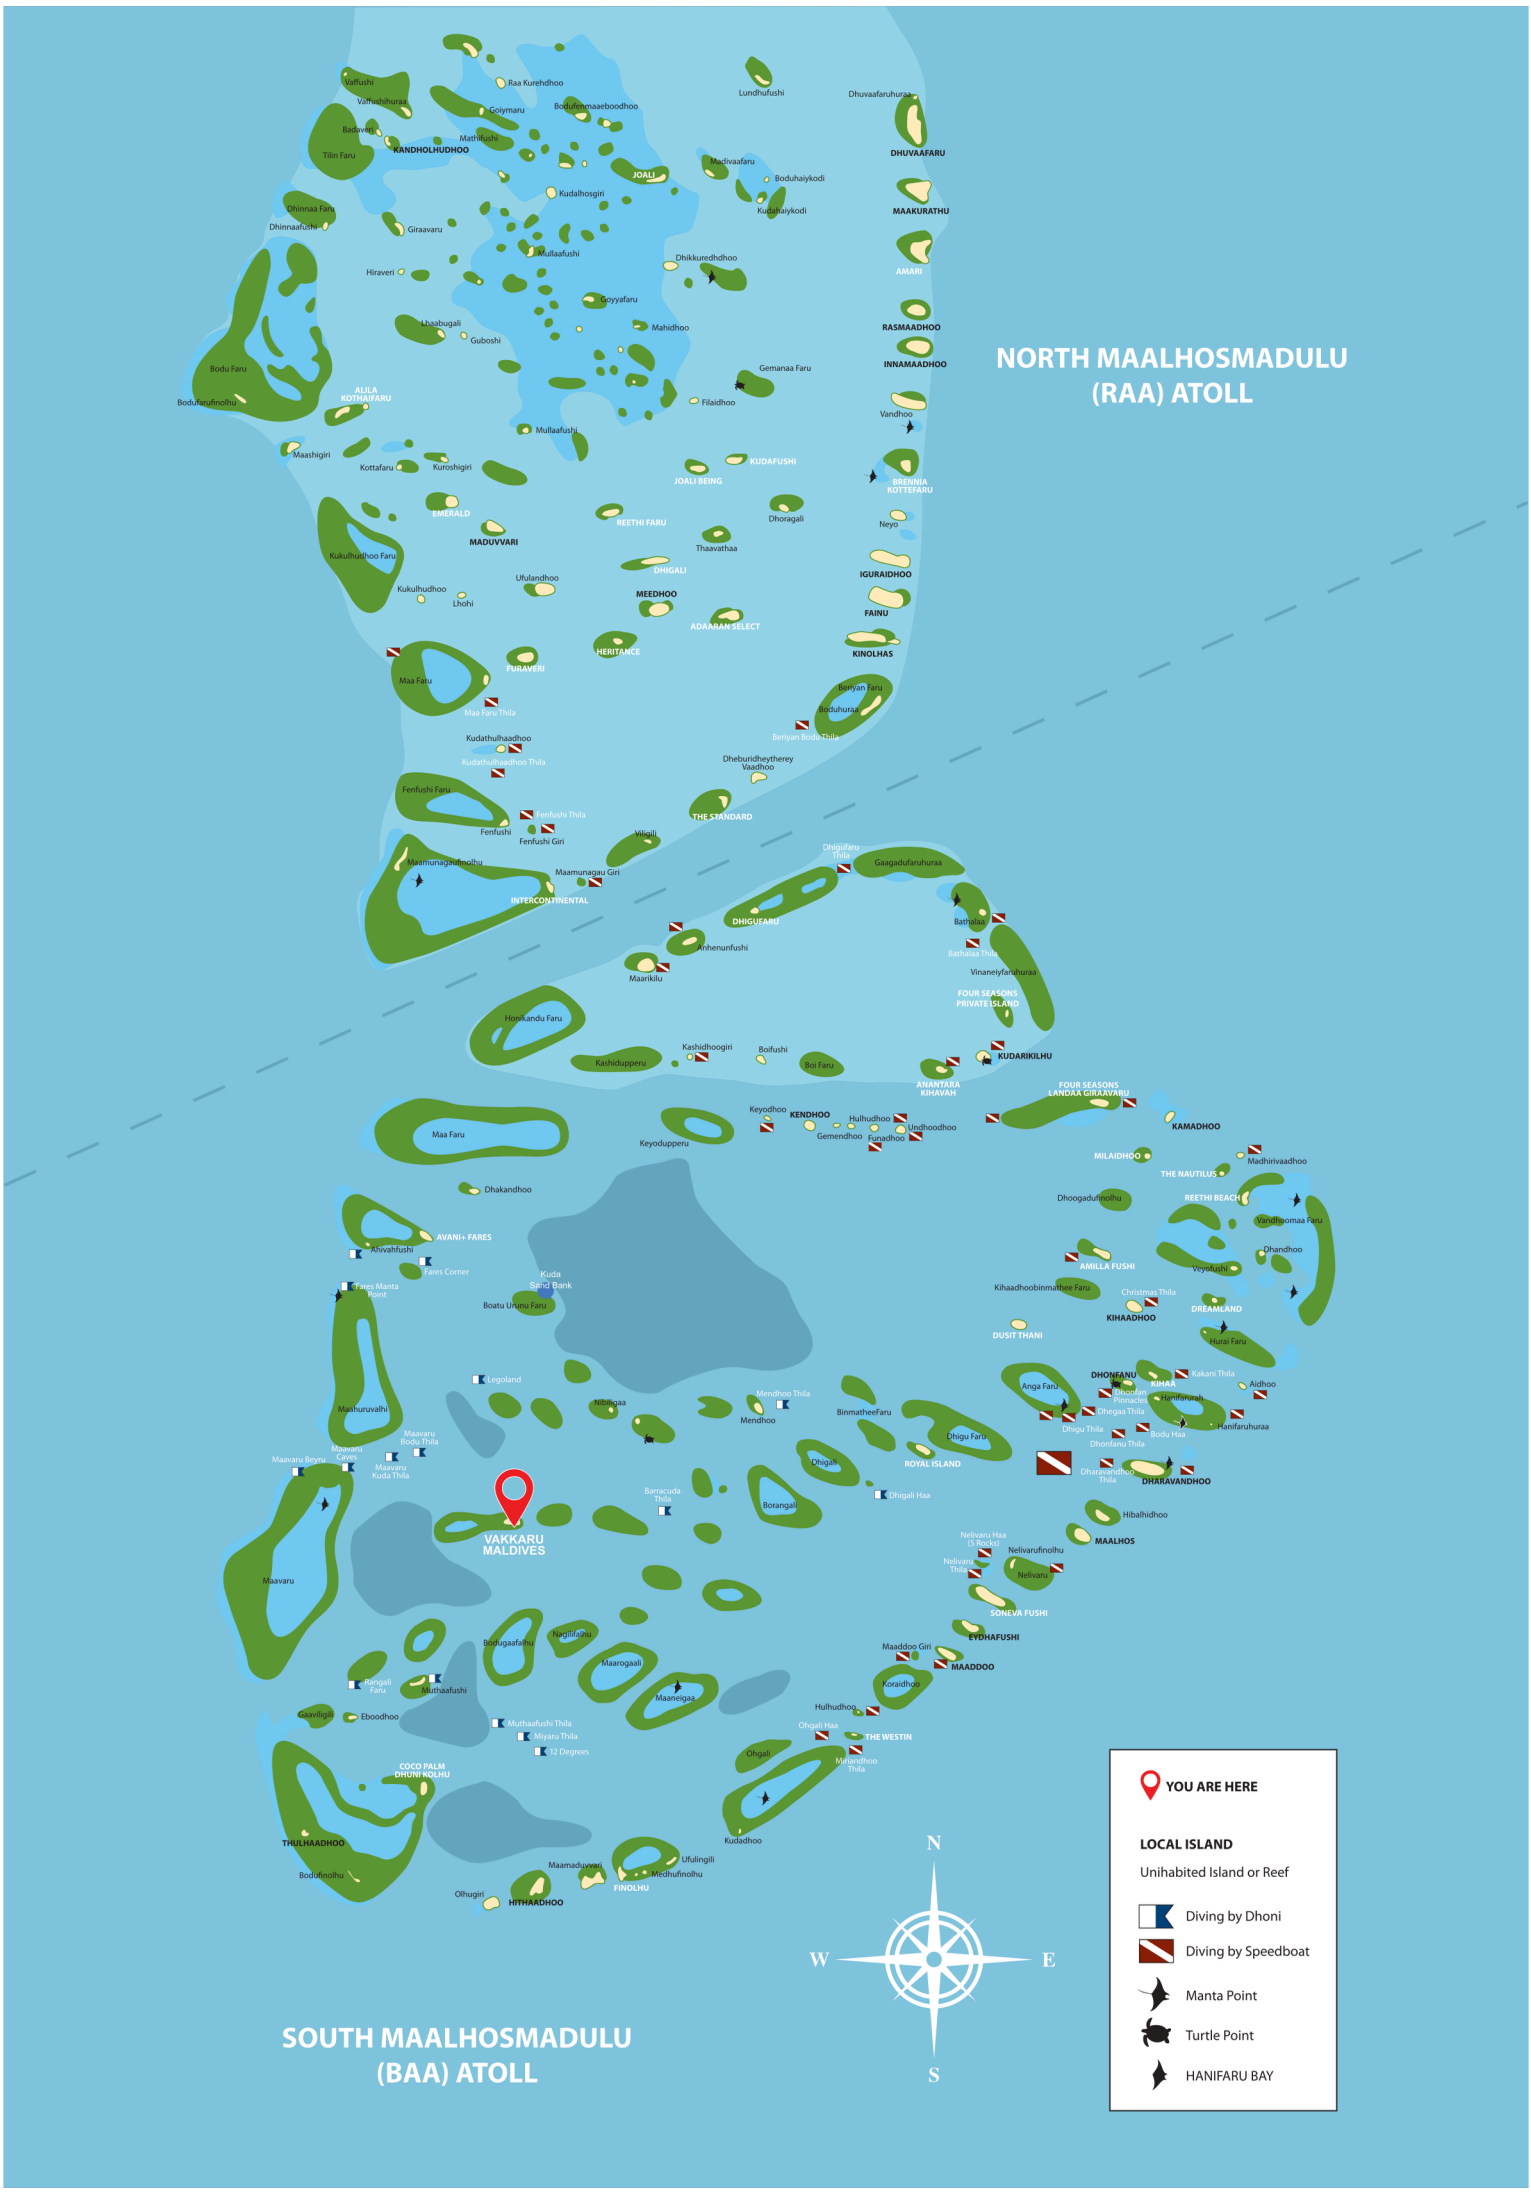

* *Each participant must be comfortable snorkeling unassisted.*
* Each participant will have to handle an underwater camera.
* Minimum 2 guests required
  Maximum 4 guests.

Please contact Splash Dive and Watersports Center for Private experiences for Ropes of Hope and Turtle Identification & Citizen Science Experience.

...DREAM, EXPLORE AND LIVE THE MALDIVIAN LIFE

Participating in any activity or excursion is at your own risk, and all water sports activities are subject to weather conditions. Participants must complete and sign the Splash liability release before any activity or excursion. Splash Dive & Watersports at Vakkaru reserves the right to suspend any given activity or excursion at any time.
